

Disability Strategy:

Introduction:

[Insert a brief explanation of the purpose of the Disability Strategy, including its importance for creating an inclusive and accessible environment for all students]

Section 1: Overview of Disability Inclusion

[Provide an overview of what disability inclusion means, why it is important, and how it can be achieved in an educational setting]

Section 2: Policy Statement

[Write a clear and concise policy statement that outlines the school's commitment to disability inclusion and accessibility]

Section 3: Disability Support Services

[Describe the types of disability support services that are available to students, such as disability accommodations, assistive technology, and counselling services]

Section 4: Accessibility of Physical Spaces

[Detail how the school is ensuring that its physical spaces are accessible to all students, including those with mobility or sensory impairments]

Section 5: Training and Education

[Outline how the school will provide training and education to staff, faculty, and students to promote disability awareness, sensitivity, and inclusion]

Section 6: Communication

[Explain how the school will ensure that its communication channels are accessible to students with disabilities, including providing alternative formats and captioning for videos and live events]

Section 7: Monitoring and Evaluation

[Detail how the school will monitor and evaluate its disability inclusion efforts, including establishing performance indicators and regular assessments of progress towards goals]

Conclusion:

[Summarize the key points of the Disability Strategy and emphasize the school's commitment to creating an inclusive and accessible environment for all students]
